BLACK DIAMOND INCOME FUND RELEASES 2006 CANADIAN TAX INFORMATION

Calgary, Alberta – (TSX: BDI.UN) Black Diamond Income Fund (“Black Diamond” or the “Fund”) has announced information necessary for 2006 Canadian tax reporting. The information provided below is solely to assist Canadian individual unitholders with tax reporting information in respect of distributions declared during the calendar year 2006. This information is not intended to constitute legal or tax advice to any holder or potential holder of Black Diamond units (“Units”). Canadian unitholders should consult with a taxation or investment professional for additional tax advice. The following summary applies to unitholders who are residents of Canada under the Income Tax Act (Canada) and who hold their units as capital property.

Units held within an RRSP, RRIF, RESP or DPSP

No amounts are to be reported on the unitholders’ 2006 Income Tax Return where Units are held within a Registered Retirement Savings Plan (RRSP), Registered Retirement Income Fund (RRIF), Registered Education Savings Plan (RESP) or a Deferred Profit Sharing Plan (DPSP).

Units held outside an RRSP, RRIF, RESP or DPSP

Unitholders who hold their Units outside of an RRSP, RRIF, RESP or DPSP and were entitled to receive distributions on a distribution record date within the calendar year 2006 will receive a T3 Statement of Trust Income Allocations and Designations Slip (“T3”) directly from Olympia Trust Company or from the broker/intermediary who the unitholder holds their Units through. Distributions declared in 2006 will be 100% return of capital and reported in box 42 of the T3. The deadline for mailing the 2006 T3’s to unitholders, as required by the Canada Revenue Agency is March 31, 2007.

Schedule of Tax Treatment of 2006 Distributions

The following schedule details the cash distributions declared in 2006 and the tax treatment of each distribution per Unit for income tax purposes:

Record Date	Payment Date	Taxable Amount (T3 - Box 26)	Return of Capital (T3 - Box 42)	Total Distribution
September 30, 2006	October 15, 2006	\$ 0.0000	\$ 0.0111	\$ 0.0111
October 31, 2006	November 15, 2006	\$ 0.0000	\$ 0.0833	\$ 0.0833
November 30, 2006	December 15, 2006	\$ 0.0000	\$ 0.0833	\$ 0.0833
December 31, 2006	January 15, 2007	\$ 0.0000	\$ 0.0833	\$ 0.0833
Total		\$ 0.0000	\$ 0.2610	\$ 0.2610

Adjusted cost base of Units for capital gain purposes

Canadian individual Unitholders are required to reduce the adjusted cost base (“ACB”) of their Trust units by the amount reported in Box 42 “Amount Resulting in Cost Base Adjustment” of the 2006 T3, which is equal to the cumulative distributions declared during calendar 2006 that the Canadian individual Unitholder was entitled to, less the amount reported as “Other Income” in Box 26 of the 2006 T3. The ACB is then used to determine and report in the Canadian individual Unitholder’s T1, the capital gain/loss, if any, in the taxation year when the Units are disposed or deemed disposed of. If the ACB is reduced to zero, any further

reduction to the ACB should be reported by the Canadian individual Unitholder as a capital gain on the Canadian individual Unitholder's T1 in the taxation year that it occurs.

The Fund is an unincorporated open ended investment trust governed by the laws of the Province of Alberta. The principal undertaking of the Fund, through its indirect wholly-owned subsidiary, Black Diamond Limited Partnership, is to rent modular structures for use as workforce accommodation and temporary workspace, and to provide complementary services including transportation, installation, dismantling, repair and maintenance of modular structures, as well as related services through three operating divisions consisting of Black Diamond Camps, BOXX Modular, and Black Diamond Site Services.
