BLACK DIAMOND INCOME FUND PURCHASES ASSETS IN ALASKA

Calgary, Alberta — (TSX: BDI.UN) Black Diamond Income Fund ("Black Diamond" or the "Fund") is pleased to announce that it has acquired workforce housing rental assets from a private Alaska based company for consideration of US\$1.15 million.

The acquired assets consist of 16 recently manufactured modular units which provide dormitory and kitchen/dining facilities for use as remote site accommodation. The assets were 100% utilized at closing and Black Diamond has assumed all existing rental contracts.

Black Diamond anticipates annual operating cash flow from these assets in excess of US\$500,000 with first rental revenue being invoiced on August 1, 2009. No additional SG&A costs will be incurred by Black Diamond as its existing sales and operations staff will manage these additional assets.

This is an accretive acquisition for Black Diamond and is consistent with the Fund's focused growth strategy and expansion into the US market. This transaction falls within the Fund's 2009 capital expenditure program. Black Diamond has utilized its debt facilities for the cash component of the acquisition.

The Fund is an unincorporated open ended investment trust governed by the laws of the Province of Alberta. The principal undertaking of the Fund, through its indirect wholly-owned subsidiary, Black Diamond Limited Partnership, is to rent modular structures for use as workforce accommodation and temporary workspace, and to provide complementary services including transportation, installation, dismantling, repair and maintenance of modular structures, as well as related services through three operating divisions consisting of Black Diamond Camps, BOXX Modular and Black Diamond Energy Services.
