

## **BLACK DIAMOND GROUP LIMITED ANNOUNCES NOVEMBER DIVIDEND AND PROVIDES GUIDANCE FOR Q4 2016**

**Calgary, Alberta**, November 21, 2016 - Black Diamond Group Limited (“Black Diamond” or the “Company”) (TSX: BDI), a leading provider of workforce accommodation and modular workspace solutions, today declared a dividend of \$0.025 per share to be paid on December 15, 2016 to shareholders of record on November 30, 2016. The ex-dividend date is November 28, 2016. This dividend is an ‘eligible dividend’ for Canadian income tax purposes.

In spite of a high degree of variability in the current operating environment, Black Diamond is anticipating fourth quarter Adjusted EBITDA of between \$8 million to \$12 million. This improvement over recent quarters reflects rental revenue growth in BOXX modular, increased non-rental revenue across all platforms, and a modest seasonality impact. This EBITDA improvement allows the company to continue to take advantage of our favourable liquidity to fund ongoing growth.

### **Reader Advisory**

#### ***Forward-Looking Statements***

Certain information in this news release contains forward-looking statements including management's assessment of Black Diamond's future operations, business prospects and opportunities and management's future expectations regarding the financial performance of the Company and its business units. With respect to the forward-looking statements contained in this news release, Black Diamond has made assumptions, regarding among other things: future commodity prices, that Black Diamond will continue to conduct its operations in a manner consistent with past operations, that counterparties to contracts will perform the contracts as written and that there will be no unforeseen material delays in contracted projects. Although Black Diamond believes that the expectations reflected in the forward-looking statements contained in this news release, and the assumptions on which such forward-looking statements are made, are reasonable, there can be no assurance that such expectations or assumptions will prove to be correct. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond Black Diamond's control including, without limitation, the impact of general economic conditions, industry conditions, fluctuation of commodity prices, fluctuation of exchange rates, environmental risks, industry competition, availability of qualified personnel and management, stock market volatility and timely and cost effective access to sufficient capital from internal and external sources. As a consequence, actual results may differ materially from those anticipated in the forward-looking statements. Readers are cautioned that the forgoing list of factors is not exhaustive. Additional information on these and other factors that could affect Black Diamond's operations and financial results are included in Black Diamond's annual information form and other reports on file with Canadian securities regulatory authorities and may be accessed through the SEDAR website ([www.sedar.com](http://www.sedar.com)) and at Black Diamond's website ([www.blackdiamondgroup.com](http://www.blackdiamondgroup.com)). Furthermore, the forward-looking statements contained in this news release are made as at the date of this news release and Black Diamond does not undertake any obligation to update publicly or to revise any of the forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by applicable securities laws.

#### ***Non-GAAP Measures***

In this news release, the term Adjusted EBITDA has been referenced. Readers are cautioned that this measure is not defined under International Financial Reporting Standards (“IFRS”). Readers are cautioned that non-GAAP measures are not alternatives to measures under IFRS and should not, on their own, be

construed as an indicator of the Company's performance or cash flows, a measure of liquidity or as a measure of actual return on the common shares of the Company. Non-GAAP measures should only be used in conjunction with the consolidated financial statements of the Company.
